

Diary Dates

June & July 2017

Dear All

As we approach the end of the year things get very busy in school. I know, as a parent, it is a big challenge remembering when sports day is, when they need a packed lunch and if it is non uniform. I hope the following will help you over the coming weeks. Some things may change but we will let you know either by letter or by text. Sports days will not go ahead if the weather is poor (or too hot!) but we will let you know nearer the time.

Thank you for your fabulous support and have a super summer.

C Barlow

Date	Event
