20 October 2017

Dear Parents/Carers

We have had a fantastic half term and been learning lots of new letters, sounds and numerals. As discussed during parents' evening, to ensure your child does not forget these newly learnt sounds and numerals. It is important that you try to make time to revisit and practice them as often as possible over the break.

Enjoy the break and thank you for your continuing support in your child's learning journey.

Yours sincerely

Mrs J Cromack
Reception Class Teacher
