**Kirklees SEN Local Offer**

## **What is it and who is it for?**

The Local Offer is a requirement of the Children and Families Act 2014 which is effective from September 2014.

The Local Offer is a web based comprehensive information system for parents, carers, children and young people aged 0 - 25, with special educational needs and/or disabilities (SEND).

It will help people to access up-to-date, accurate information about the range of services available to support children and young people with special educational needs and/or disabilities (SEND). It will include information from service providers across education, health and social care.
