8 November 2017

Dear Parent/Carer

Following the Parent and Pupil Meeting in September I am updating you on the issues discussed (where I have not already done so).

Attached to this letter is a schedule of trips for the year; we hope this helps you budget accordingly. We have already subsidised many of the trips so, as always, we rely on your contributions and, as you know, if we do not receive enough trips have to be cancelled.

We are trying to create more sporting opportunities for your children both during the school day and after school. In addition to normal PE lessons we have already had a fantastic cross country event; a cricket coach in school and an in-school netball club. We will continue to develop these extra-curricular events as time and money allows.

The Friends of Mill Lane ran an extremely successful Autumn event - the glow in the dark party - which we hope to make an annual event. Thank you to all those who helped and made it the success that it was.

Your biggest concern was lack of information regarding our expectations of your child in their new class. In order to address this fully, we plan to create a booklet that will make this clear. The booklet will be given out on transition day for your child to bring home and share with you. To make sure we get the booklet right we will be asking for your input at the next meeting which is on **17th January 2018 at 9.00am – please come if you can.**

In addition we will make the end of transition day open to all parents and carers to come in and meet the staff in the new class and ask any pressing questions. However, we recognise that it is a long time between transition day and September and, even though I know you will be reading the booklet every single day, we will also offer welcome meetings into each class during the first few weeks of the academic year.

I hope I have answered all your questions and queries but if not please let me know.

I will write to you about seasonal events within the next few weeks but, in the meantime, I thank you for all your support.

Yours sincerely

Miss C Barlow
