Dear Parent/Carer

I am sorry to inform you that there has been an act of aggression and disrespect reported to school.

It has been reported to school that last week a member of our parent community parked across the drive of one of our neighbours and when asked to move the parent/carer was extremely rude including saying "you will be dead soon"; this was in front of a young child.

I am certain that such ugly behaviour is limited to a very small number of people and may have occurred as a "one off" possibly as a result of stress but even so it reflects incredibly badly on our school.

What was even sadder was that the person whose drive was blocked had been a highly valued member of our staff for over 30 years until they retired a few years ago and they remain a very good friend and neighbour to our school.

I am sure most of you will agree that it is important that our children see the behaviour from us that we would like to see from them and I urge you to be ambassadors for our school as your children are.

Thank you.

Yours sincerely

Miss C Barlow
