Headteacher: Christine Barlow

8th December 2017

Dear Parents/Carers,

In January 2018 we will be starting a new home reading scheme. We have bought new books and the children are excited about bringing them home. Children will also be bringing a yellow reading record home with their new reading books. These will be for parents to keep a record of how a child has read at home. Please make comments in the reading record regarding your child's reading progress. Please state if and when your child has finished the book so that he/she can change it for a new one. Please note, these books are not for teacher comments although in unusual situations we will be able to use these books to communicate with parents.

Please could the children bring their reading books to school every day, even if there has not been a chance to read at home?

This should help the children further their reading skills and reading attainment and we are all looking forward to getting started.

The reading scheme is part of the curriculum and therefore every child is required to join in. The charge for a lost or damaged home reading book will be £6. With this in mind, please encourage your child to look after their reading book and to keep it safe.

At the Key Stage 2 meeting on 10th January there will be an opportunity for further clarification about our new home reading books, so please come along if you can.

Yours sincerely,

Miss A Massarella
Assistant Headteacher

Mr R Olbison
Class 4/5 Teacher

Mrs S Sanderson
Class 3/4 Teacher

Mrs C Lee
Class 3/4 Teacher

Learning through hard work, friendship and fun.
