27 November 2017

Dear Parent/Carer

We are currently experiencing a very high level of pupil illness.

We have over 20 absent today and over half of that is due to sickness and diarrhoea.

Please will you encourage your child to wash their hands with soap prior to eating and after going to the toilet?

In school we will make the following temporary changes:

- Hand dryers will be replaced with paper towels where possible
- Children will be encouraged to wash hands before eating and after visiting the toilet
- There will be no sand, water or play doh in school (this affects nursery and reception)
- There will be no cooking or baking for children
- Snacks will be handed to children (including toast) by an adult so that children are not touching food others may then eat
- School will be undertaking additional cleaning and disinfecting to limit the spread of any virus

We are acting on the advice of Public Health England and I will let you know if anything else changes.

Please do not send your child to school if they have either been sick or had diarrhoea - they need to remain at home for 48 hours since their last episode.

Thank you for your support.

Yours sincerely

Miss C Barlow
