

## SNOW

As you may have heard snow is forecast this area.

Mill Lane is in a terrible location if it does snow as the roads very quickly become unsafe.

I will only close the school if I believe opening would not be safe – it is not a decision I make lightly and as a working parent myself, I fully appreciate how inconvenient this can be.

I will make the decision as early as possible to give you time to make plans and we will communicate by text.

Thank you for your support.
