

## Sports Premium 2017-2018

**Income = £10 138 (Oct – received) Income = £7 231 (May – projected) Carried Forward = -£1958**  
**Total Income for Year = £15 411 (projected)**

How much we spent	What we plan to spend it on	What is the impact on the children or expected impact.
£1000	Training for lunchtime staff	More adults will be confident in engaging children in physical activities leading to a higher degree of activity for all children.
£2000	Sports coaches for staff	To upskill staff in all areas of the PE curriculum.
£300	Pupil Training for play leaders	To enable older pupils to run activities in the playground for younger pupils.
£2500	Active lunchtime clubs	To offer activities beyond our own skill base.
£6000	Fixed playground equipment to encourage physical activity	To give children the opportunity to increase their physical activity when they would not ordinarily choose to participate in organised games.
£1000	Bike rack	To encourage children to come to school on bikes.
£1000	Transport to inter school events	To increase participation in inter school and competitive activities.
£1000	EYFS large play equipment	To develop major motor skills and co-ordination.
