8 September 2017

Dear Parents/Carers

We would like to welcome your child to the nursery, whether they are completely new or are returning after the summer break. Below is some information you will need to know for our class!

Throughout your child's time in nursery, they will have access to both indoor and outdoor activities. We try to go out in all kinds of weather, so can you please make sure your child is appropriately dressed to match the weather. The children love to play out in the rain, it is normally the adults who have sad faces!

We will be sending a home/school learning log every Friday to be returned by the following Wednesday. This is an opportunity for you to work together with your child to support them in their learning and to talk to them about what we have been doing in school. This will include information about our letter of the week, topics to talk about with your child and sometimes activities to help develop pencil control. Every Friday we will send home a library book, your child will choose a book that interests them. This is another opportunity to work with your child by talking about the book, looking at the pictures, discussing the story, and predicting what might happen.

Your child will need to bring their book bag on a Wednesday to return their home-school book and every Friday to collect it again and change their library book. Please encourage your child to carry their own book bag.

Can we just remind you to make sure all items of clothing are clearly labelled with your child's name. Also, that children come to school in clothes they can manage themselves especially when visiting the toilet.

If you have any issues or questions, please do not hesitate to come in and see us

We are really looking forward to working with you.

Yours sincerely

Miss A Eddings  
Deputy Headteacher

Mrs J Thorne  
Nursery Nurse
