11th September 2017

Dear Parent/Carer,

As part of this term's topic, 'Why can't a meerkat live at the North Pole?' we are planning to take Years 1 and 2 to the Yorkshire Wildlife Park to learn about animals that live in different climates.

The visit will take place on **Wednesday 4th October 2017**, leaving school at **9.00am** and returning at approximately **3.30pm**. Therefore your child will need a packed lunch that day and this will be provided by school.

The children do not need to wear school uniform. However, as the weather can be very changeable, please ensure that your child has a waterproof coat with them in case of rain.

No spending money is needed as there won't be any time to visit the shop.

If your child suffers from travel sickness please inform school and ensure that he/she has taken the appropriate medication.

School has subsidised this trip leaving a cost per child of £15 to cover the coach fare and entrance into the park, and we are asking for a voluntary contribution of this amount. The visit will be an extremely valuable learning experience for all the children. **The voluntary contribution needs to be paid by Wednesday 25th September 2017**. Please note that insufficient contributions will result in the trip being cancelled.

Payment for educational visits **must** now be paid via ParentPay. Many of you already use this system but for those of you who are not familiar with this, please see the accompanying letter for instructions and account details.

Yours sincerely,

David Swithenbank
