Ofsted

They have been!!! Thank you to all those of you who spoke to Ofsted and/or completed the online Parent View reports.

The vast majority of your children rose to the occasion and were absolutely wonderful during the inspection. Many children had the opportunity to speak with the inspectors – we had 3 - and they were all fabulous.

We cannot discuss the report until it has been written and checked but we have had a great week all working together and we will be celebrating next week.

Next Week

Next week will be relaxed and possibly a little bit chaotic in a celebratory way!

We will be celebrating many things with your children.

Monday – there will be a treat for those children who have attendance above 98%. A separate letter will go to those individual children. If you do not get a letter your child needs to be in full school uniform.

Tuesday – year 6 will celebrate their fabulous SATs results and the end of their time at Mill Lane with an after school trip to Zucchini's.

Wednesday – the whole school will have a treat to celebrate improved attendance and great attitudes and behaviour during Ofsted. **Non-uniform for everyone**, bouncy castle, games, fun and pizza in the afternoon.

Thursday – there will be a treat for the children in Key Stage 2 who have remained on the Always Board this term and years 1 and reception will visit Little Town of Play as their attendance treat

Friday – year 6 will have their final assembly at 9.15am to which parents of year 6 are invited. Children must be in school uniform and there will be the usual “shirt signing” for those who wish to participate.

Finally

I would like to thank all of you for working with all of us to make Mill Lane the fantastic place it really is. We look forwards to seeing all children back in school on Tuesday September 3rd 2024 ready for registration at 9am.

Have a super summer.
