

Learning through hard work, friendship and fun.

Mill Lane

Homework Policy

Adopted and ratified by governing body: June 2023

Review date: June 2024

At Mill Lane School we believe homework should be used to embed learning and give children the opportunity to practice skills but not cause conflict or negative interactions at home.

We also believe that positive, non-academic, family experiences help children to grow in confidence and so support their experience in school.

Mill Lane encourages the wider learning that takes place with families and friends and encourages families to broaden their children’s experiences and talk with them about these experiences.
