## SNOW

Dear Parent/Carer,

It is a long time since we have had snow but there are some rumours that it may be on its way!!!

As in previous years, we will take no risks with the safety of our pupils, families and staff so, should it be dangerous either around school or getting to school we will close. It has been the case in the past that we have closed and other schools have opened - this is because our location is particularly dangerous.

If we do close school we will message you via the Hub, put a notice on the front page of the website and inform Kirklees so that it can be shared via the Kirklees website.

We always make the decision as early as possible so people are not setting off to school if conditions are unsafe.

Yours sincerely,

*Christine Barlow*
