

Long term numeracy plan - academic year 2026-2027

Class 4/5

Wc	Topic/Theme	Y4	Y5
31.8.26	Place value	Ordering numbers to 1000, 1000 more/less	Reading writing to 1 mill
7.9.26		Partition to 10,000	Partition nos to 1 mill
14.9.26		Count in 25, 1000s	Counting in power of 10
21.9.26		Rounding to 10, 100, 1000	Rounding to nearest 100k
28.9.26		Negative numbers	
5.10.26		Roman numerals	
12.10.26	Column add/sub	4 digit & 4 digit addition	
19.10.26		4 digit & 4 digit subtract	
2.11.26		Inverse missing numbers	Rounding to estimate
9.11.26	Multiplication	X3	Re-cap x tables
16.11.26		X6	Re-cap x tables
23.11.26		X9	Multiples
30.11.26		Re-cap	Prime numbers
7.12.26		X7	Short multiplication
14.12.26		X7	Short multiplication
4.1.27	Shape	Perimeter	Area
11.1.27		Perimeter	Area
18.1.27	Multiplication	Short multiplication 2x1	Long multiplication
25.1.27		3x1 digit	Long multiplication
1.2.27		Multiplication problems	Square/cubed numbers
8.2.27	Fractions	Equivalent	Equivalent fractions
22.2.27		Calculate quantities of fractions	Order fractions
1.3.27		ADD & SUBTRACT same denominator	Add & subtract same and different denominators
8.3.27		Divide by 10,100,1000	Multiply proper fractions & mixed fractions by whole nos
15.3.27		Ordering decimals	
22.3.27		Rounding decimals	
12.4.27	Division	Division no remainders	Short division bus stop
19.4.27		Division with remainders	Long division written
26.4.27	Addition/subtract	4 digit & 4 digit no problems	
3.5.27		4 digit - 4 digit no problems	
10.5.27	Multiplication	Re-cap	Factors
17.5.27		Re-cap	Multiplication problems
24.5.27		Re-cap multiplication	Re-cap long multiplication

7.6.27	Co-ordinates	First quadrant Translation l/r u/d	Reflection/translation
14.6.27	Shape	Angles	Angles
21.6.27		Symmetry	Angles
28.6.27	Time		
5.7.27			
12.7.27	Statistics	Bar charts/graphs	

Using and applying and problem solving/word problems/investigative maths objectives should be addressed every week

See Maths policy for other necessities and agreed procedures when teaching maths

Resources and ideas:

Powermaths

Heinemann books

Abacus books

Squashy boxes

Hidden number fans.

outdoors

'work of art'

'just a minute'

'Grids' (or fluency work/precision teaching)

'odd one out'

'same and different'

Counting sticks

ITPs

Maths challenges for more able children.

Board games

Jigsaws

Numicon

Base 10

Measuring snakes

100 bead strings

Twinkl

Maths Packs and Primary Games
